On behalf of the Ivy Community Foundation (ICF) Board, I would like to thank the members of the Foundation (every active member of Alpha Kappa Alpha Sorority, Incorporated, Kappa Omega Chapter) for entrusting the ICF Board with the day to day operations of the ICF and our beloved community center. Please know that we are actively engaged in upholding the newly revised mission statement that encourages us to "initiate programs, projects, and activities that will inform, educate, support and engage the citizens in our community and enhance their quality of life."

In the next few pages you will find an overview of the work that has been completed since January 2015. You will also find the 2015 approved budget and a summary of the Capital Improvement Projects that were started in 2013. Our first phase of projects are quickly coming to a close, thanks to the work of so many dedicated Foundation members. While we have accomplished quite a lot over the past few months, we are counting on ALL IVY COMMUNITY FOUNDATION MEMBERS to keep the momentum going. The Board is urging all foundation members to select and participate in a project or program.

Lastly, The Ivy Community Board expresses our sincere appreciation for those Foundation members that have contributed their time, talents and funds over the past few month to ensure the continued growth and success of the Ivy Community Foundation.

Sincerely,

Billette D. Owens Ashford

President
